

Request Speakers - LESICO Congress

Where: **Basel (Switzerland)**
When: **13 - 15 October 2017**
Motto: **Thanks to professionalization and quality for professional recognition**

In contrast to many other professions, the profession of sign language teachers has not yet been officially recognized anywhere in Europe.

There are inevitably interesting questions to which we would like to give you inputs at the Lesico 2017, which we can then discuss and so everyone can get back home with a good argumentarium:

Education policy objective in the European level	Professional recognition	Need-oriented teaching	Competency-oriented teaching
<ul style="list-style-type: none"> • EU laws • Convention CRPD • Project Pro Sign II • Inclusion Handicap • SignTeach 	<ul style="list-style-type: none"> • Position of EU countries • Professional organisation • Professional quality assurance • Job Management • apprenticeship 	<ul style="list-style-type: none"> • teaching • learning • Methodology / didactics • study materials • Inspection and testing • Psychology 	<ul style="list-style-type: none"> • See, read, sign and record • Culture / interculturalism • Linguistics • Vocabulary / Glosses • Language Variation • Methodology / didactics

We are already in the middle of preparation for a lively Lesico 2017 with introductory presentation, workshops and info stations. We look forward to an interesting dialogue with you all. We are convinced that at the end of the 3-day Lesico 2017 you will be able to travel home with many answers.
