

LESICO 2017 - Registration for Exhibitors and scientific posters

Exhibitor scope

There are 10 tables for the table fair and 12 pinboards for poster presentations.

Ground plan

From the beginning of May 2017, the ground plan will be published on our website in the "Exhibitors" section.

Prices

The prices for the table fair are calculated per person and stand, including lunch. Not included are the gala ticket and congress passes. Each additional person must obtain a congress pass.

Category and prices

Scientific Posters	for free
Table Fair Information	CHF 150.-
Table fair Sale of products	CHF 300.-

Poster

The format of the posters should have the maximum format A0 (85 x 120cm) or 2 times horizontal format A1 (corresponds to the maximum format A0) and it should be written in English. The posters must be printed by the exhibitor.

Tableware

For the table fair, exhibitors are allowed if they fulfill the following conditions: All offered information, sales products, technical support, software, books, learning and teaching materials, platform applications, DVDs, comic drawings etc. must be in the context of the sign language and deaf culture. All materials should be used in the classroom for children and adults.

Infrastructure

For the table fair, the exhibitors have a table and two chairs at their disposal. You will receive a banner with your company or institutional name printed by us on paper. Own infrastructure such as large advertising banners, advertising material, light construction, etc., can only be brought with Rolf Perrollaz. On request, electricity is available according to the Swiss standard.

Time management

The participants are offered the various breaks to visit the table fair and the posters. It is possible that the congress participants will also visit the exhibition during the lectures and workshops.
